

# FIRE SAFETY

Fires in the home are the cause of many deaths. **Fire Escape Plans** could prevent many of these deaths. The best time to practice is during Fire Prevention Week in October. Come visit the firefighters at any fire station in Starkville.

#### PLANNING YOUR ESCAPE

- \_\_\_ 1. Plan for at least two escape routes.
- \_\_\_ 2. Tell the children to never hide if there is a fire.
- \_\_\_ 3. Make sure children can work all windows, doors, and locks.
- \_\_\_ 4. Have safe way to ground for second floor rooms.
- \_\_\_ 5. Check the Door! If it is warm, use your second way out.
- \_\_\_ 6. Get out quickly, if it is smoky, get down, stay low, and crawl fast.
- \_\_\_ 7. Once out, no one goes back into your home!
